**Human Resource Council**

HRC is able to assist qualifying households purchase a home in Mineral, Missoula and Ravalli Counties with a deferred payment, no interest second mortgage. The loan fills the gap between the purchase price and the greatest amount the lender will lend the household. The maximum level of assistance is $35,000. However, only the minimum amount of assistance needed to enable the participant to purchase a modest home will be provided. There are no payments on the financial assistance while the household is paying on the superior mortgage. Repayment would be required once the superior mortgage is satisfied. If the household elects to refinance or sell the home, HRC’s mortgage needs to be included in the loan payoff.
